TOR VIEW

A SPECIALIST LEARNING COMMUNITY

Outreach Support Menu

September 2017 – July 2018

An Intervention, Advice and Support Service for Learners with Learning Difficulties and Disabilities (LDD)

National Teaching School
designated by

National College for
Teaching & Leadership

Aims of Service:

- To meet pupil's needs
- To support local mainstream partner schools in meeting the needs of pupils with LDD
- To provide a network of support links for parents of pupils with LDD
- To support local FE colleges & EYFS provision in meeting the needs of students and pupils with LDD

Benefits:

- Local support from within the Rossendale Education Partnership
- Access to specialist teachers and resources
- Opportunities to see Best Practice in action
- Improved transition for children with learning difficulties
- Cost effective solutions
- Wide range of formal and informal training and support options
- Bespoke support packages
- Relevant, current advice from classroom practitioners

As part of the **East Lancashire Inclusion Partnership**, Tor View offers an exciting range of Continuing Professional Development opportunities for staff working in Early Years, Mainstream and Special School Settings at our brand new training facility – contact us for more details
